SCHOLARSHIP GUIDELINES AND RULES

1. **Eligibility**

The law students who will be eligible to receive a scholarship from the HBA-NJ are those Hispanic Americans (at least one parent must be of Hispanic descent) who are or have been residents of the State of New Jersey and who are or were *enrolled and attending* an American Bar Association approved law school in the United States during the 2023 Spring Semester. No individual eligibility or selection criteria is necessarily dispositive over another. All factors are taken into consideration and weighed towards the applicant's selection.

2. **Selection**

The selection of the scholarship recipients will be conducted by a Scholarship Committee which will consist of officers, trustees and/or members of the HBA-NJ.

3. **Selection Criteria**

The following are the criteria considered for the award of a scholarship by the HBA-NJ:

- A. All grants/scholarships will be limited to students who are attending ABA approved schools, which qualify as “educational institutions” as defined in the Internal Revenue Code of 1986, as amended.
- B. The applicant must provide the HBA-NJ with a law school transcript. Law school grades are one selection criteria for the scholarship.
- C. The applicant must be a student in good standing at their law school.
- D. The applicant must have been enrolled and attended law school classes during the 2023 Spring semester.
- E. The applicant must be or have been a resident of the State of New Jersey.
- F. The applicant must demonstrate financial need. “Financial Need” is determined by examining and reviewing financial data and family background sufficient to show that the applicant is financially underprivileged and in need of financial assistance to pay for his/her law school education.
- G. The applicant must demonstrate their participation and involvement with the HBA-NJ and/or their participation and involvement with organizations at their law school or community.
- H. Applicants who have been previously selected for a scholarship may apply for this scholarship. However, the Scholarship Committee may consider past receipt of a scholarship as a criterion for awarding this year’s scholarship.

- I. Applicants may be required to attend an interview (telephonic or virtual) with member(s) of the Scholarship Committee. The applicant's interview is a selection criterion for the scholarship.
- J. Applicants may list up to two (2) references that the Scholarship Committee may, in its discretion, contact for information regarding these selection criteria.

4. **Application Deadline**

Scholarship applications and all supporting documentation required by these guidelines must be received by March 10, 2023. All applications should be electronically delivered, in a PDF format, to the Scholarship Committee Chairs at hbanjscholarship@gmail.com. The Scholarship application must also include a law school transcript and high-resolution photograph, which must be attached separately to the email.

Failure to provide required information or documents will render your application incomplete and you will not be considered eligible for a scholarship until such time that the application is complete. Should there be a reason why any required information or documents are missing, make sure to fully explain the reasons within your application.

The HBA-NJ will award scholarships at the Scholarship Gala on April 1, 2023. Receipt of actual scholarship funds may take several months after the award ceremony. The selected applicants will be notified of their selection on or around March 20, 2023.

It is a condition of the scholarship award that scholarship recipients attend the Scholarship Gala. Waivers of this requirement must be approved by the Scholarship Committee and will be sparingly granted.

5. **Nature of Scholarships**

The HBA-NJ will only provide grants or scholarships, not loans.

6. **Certification Regarding Use**

In order to ensure that all scholarship funds are used for the stated purposes, the HBA-NJ will require a certification from the recipient stating that the monies will exclusively be used for educational purposes such as: payment of tuition and/or fees, purchase of books and school supplies, and bar exam preparation fees. The HBA-NJ may require that the student provide the HBA-NJ with adequate proof (in the form of canceled checks, receipts, etc.) that the funds were indeed used for educational purposes.

7. **Misuse of Funds**

If misuse of scholarship funds is discovered, i.e., the money was not used for educational purposes as delineated above, the HBA-NJ may request the student repay the monies immediately or under a restitution agreement. If the student fails to immediately repay the monies or defaults under the restitution agreement, the HBA-NJ may pursue its contractual and other legal remedies against the student.

8. Disbursement of Scholarship

The scholarship will be granted directly to the student, unless the student requests that payment be made to his/her law school directly. This request must be made in writing, along with complete information on where the check is to be sent and to whom it is to be made payable.

9. Promotional Materials

The student receiving a scholarship from the HBA-NJ agrees that by receiving scholarship monies, any photographs taken of him/her at the Scholarship Gala might be used by the HBA-NJ on its website, newsletter or any other promotional materials for the purpose of showing the general public and sponsors that a scholarship was awarded to such student. The HBA-NJ may also use the award recipients' biography and high-resolution photograph in the commemorative journal and/or on its website, newsletter, or any other promotional materials.
